Conditions of Membership and Participation in the Activities of This Not-for-Profit Association:

Outdoor sports involve some hazards. The members who volunteer to lead our activities claim no special qualifications. Each participant in club activities, whether member or guest, must assume full responsibility for his or her own safety, relieving the club, the leader(s), and all other co-participants of any and all responsibility in that connection – excluding, of course, individual responsibility for willfully inflicting injury. Additionally, adults who bring children to club activities must assume full responsibility for the safety and conduct of such children. They must also agree to indemnify the club, the leader(s), and all other co-participants as to claims in this connection, whether such claims are for injury to person or property of the children or third parties. Dogs are not allowed on any club activity. *I hereby agree to the foregoing conditions.*
